

## Section C: Comprehension (4 marks)

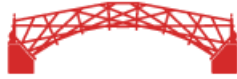

Read the passage carefully and answer the following questions. Your answers must be based on the passage.

Once, there lived Parrot, Squirrel and Goat. Every morning, Parrot would fly from the hills to meet Squirrel and Goat in the forest to play.

One day, a hunter left his village to look for food. He set up a trap to catch some animals. While Goat was on his way home, he stepped on the trap. He cried out in pain. Parrot and Squirrel rushed to help him.

Hearing Goat's cries, the hunter rushed towards the trap. When Parrot saw the hunter coming, he pecked the hunter's head. Screaming in pain, the hunter fled. Squirrel shouted, "I'll cut the trap with my sharp teeth!" Goat was finally free. He was thankful to have such helpful friends.
